The Hon. Charles L. Brieant Jr.

Continuance granted. Status conference adjourned to December 13, 2021 at 11:45 a.m. The Court finds time excluded between now and December 13, 2021 under the Speedy Trial Act as to enable Defendant and counsel to continue review of discovery and allow the parties to continue discussions towards resolving this matter outweigh the interests of the public and Defendant.

SO ORDERED.

**Re: *United States v. Carlos Rodriguez*, 21 Cr. 418 (CS)**

Dear Judge Seibel,

  
CATHY SEIBEL, U.S.D.J.  
October 22, 2021

This letter is respectfully submitted with the consent of the Government to request a 45-day continuance of the status conference in reference to the above-captioned matter. The Government has provided us with discovery which we are continuing to review, and the parties are having discussions concerning a resolution of this case. At this time, the Government is in the process of conducting a statistical analysis of financial issues beyond those indicated in the Complaint. This is necessary in order to resolve the loss issues in the case. We would be requesting this additional time at the conference currently scheduled for Monday, October 25, 2021.

Additionally, the undersigned has been directed to appear personally on a homicide case in Brooklyn on October 25, 2021. The undersigned had intended to appear virtually, however, given the situation at Rikers Island, a personal appearance has been directed to facilitate contact with the client.

We consent to the exclusion of time from speedy trial calculations as our review of the discovery and plea negotiations are continuing.

Respectfully submitted,

\_\_\_\_\_/s/\_\_\_\_\_  
James Kousouros, Esq.
